The Closers on your company's sales team lie awake at night knowing their hard work helps keep the lights on. They prospect. Sometimes they strike gold. Sometimes they strike out. Closers cold call, carry on months-long convos, and get rejected over and over.

But they never call it quits.

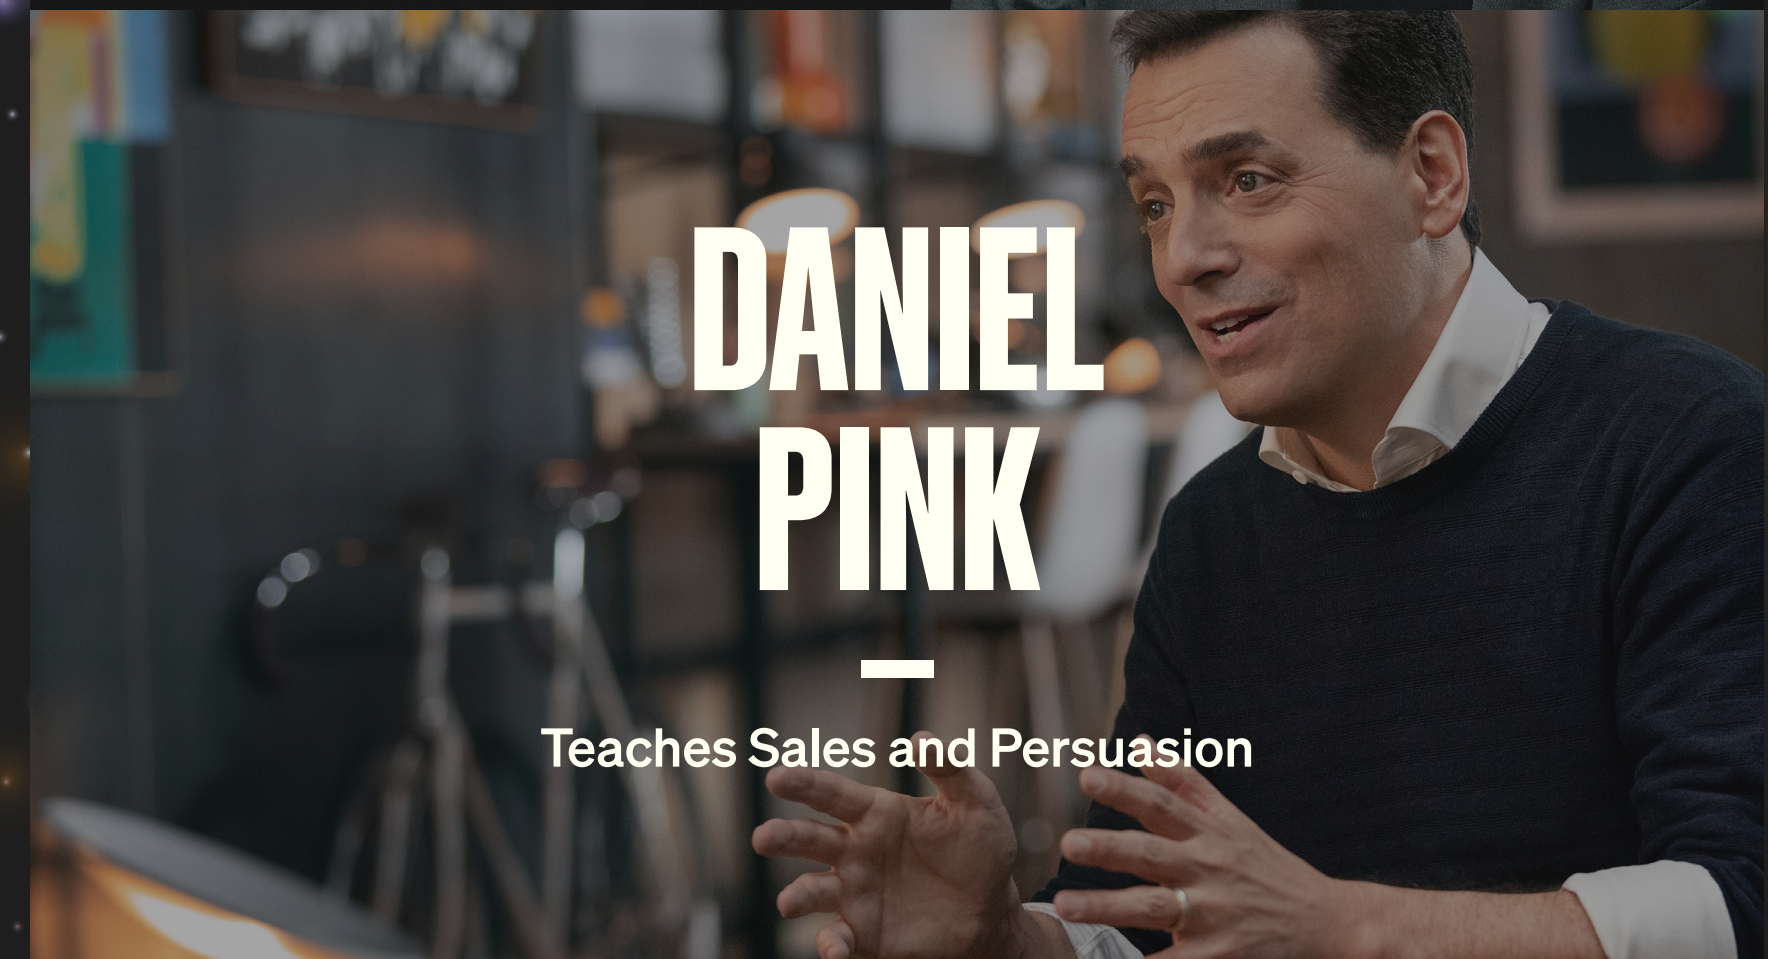

This holiday season, give them a lifeline to carry on and fight another day.

GIFTS FOR THE DREAMER

Awaken the creativity hidden
within your team.

The Dreamer looks toward the future, imagines the possibilities and throws caution to the wind. They're the undaunted, glass-half-full, nevertheless-she-persisted types that help us reach for the stars even when we're firmly planted to the ground.

You know it's true: They're the angels we all need.

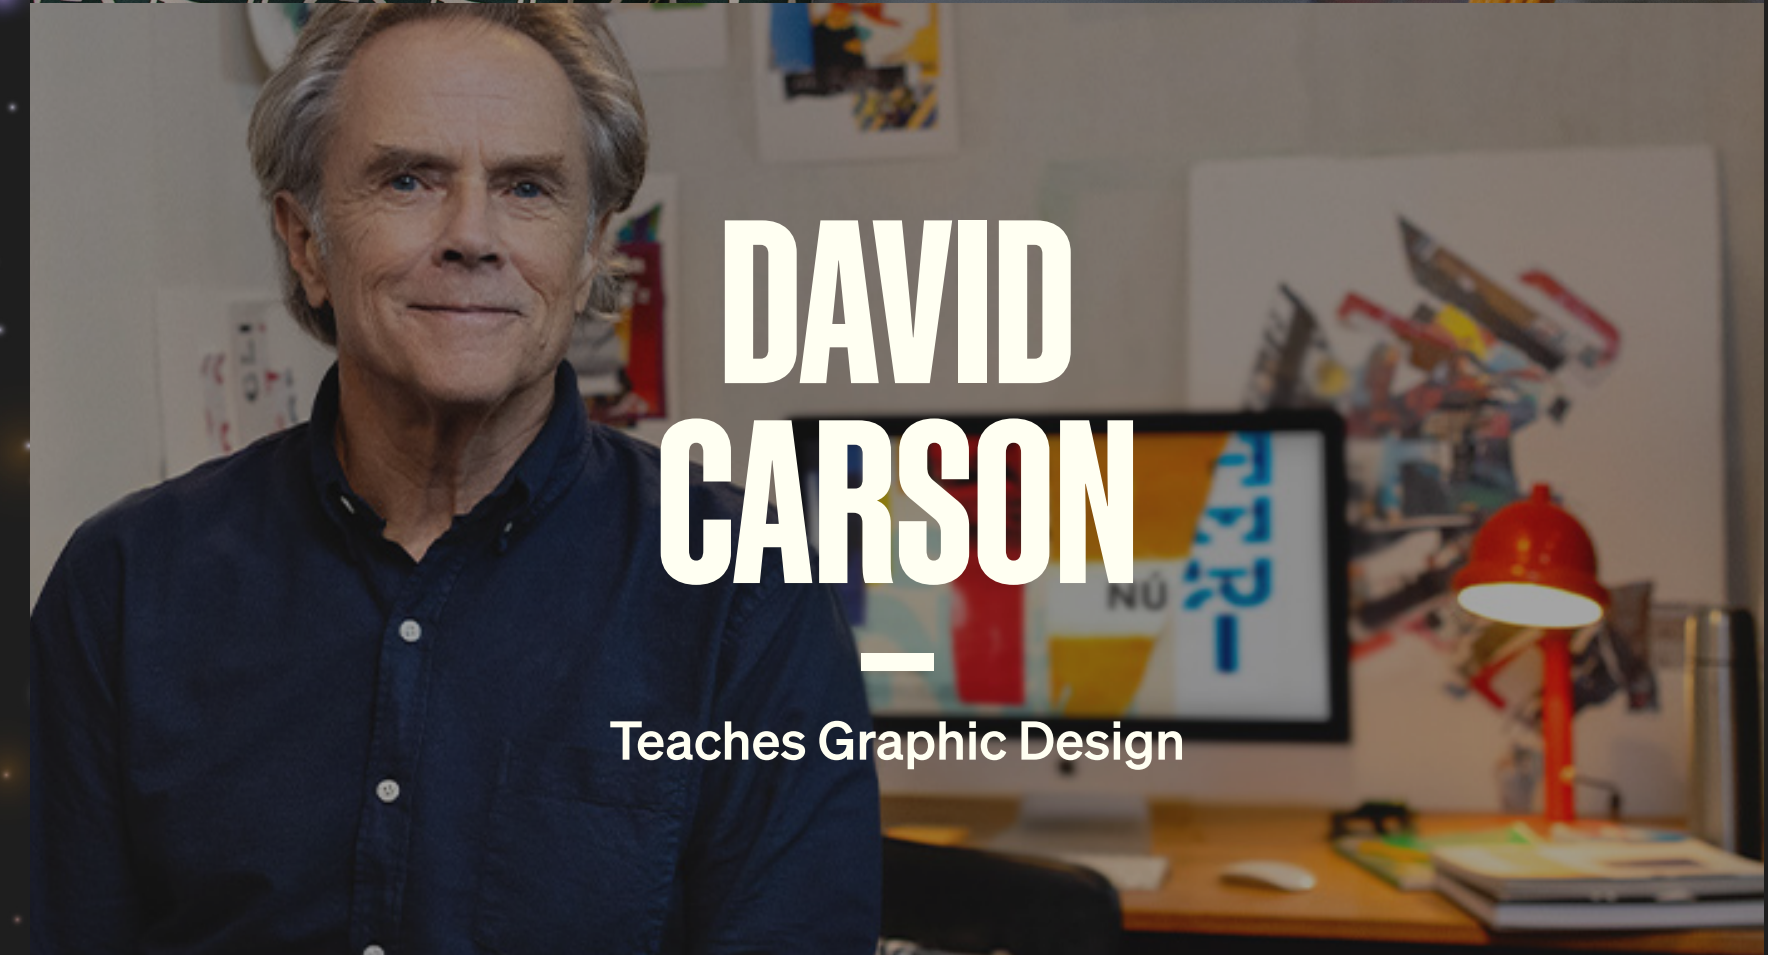

Be the wind beneath their wings and lift up their spirits with courses that let out their inner creative.

GIFTS FOR THE TACTICAL TRAILBLAZER

**Sharpen your deep thinkers with
courses on strategy and leadership.**

Tactical Trailblazers live by the mantra, “Amateurs talk strategy—professionals talk logistics.” They want to create order from chaos, matching the vision with reality. They’re scanning the papers and writing the briefs that will take your team to the next level.

In short, they love some strategy. Why not put their minds at ease?

Let your Tactical Trailblazers pull back for a bit and hone their strategies.

Their vision and charisma lead your organization onward and upward. They never look back, they never let go.

GIFTS FOR THE NETWORKER

**Talk your way out of a paper bag
with courses on communication.**

The Networker opens doors like no one else—windows, too. They embody the fact that it's not what you know but who. They always say, "You know, I should connect you with so-and-so," and they do. And since they're thoughtful communicators, they would love the best pro tips for communication that engages.

Why not connect them to legendary communicators to learn a thing or two?

Give the gift of gab this season, and let your Networkers meet-and-greet in a whole new way.
